Guidelines For Participation

COVID19 RESPONSE UPDATE: Face masks are mandatory regardless of vaccination status, upon arrival to the auditorium . A COVID health screening will be required prior to entry of weekly rehearsals (for contact tracing). Please maintain social distancing in the auditorium (skipping 2 seats between each child/family.) Hand Sanitizer will be readily available for all entering the auditorium. Your child is to bring their own snacks, drinks and pencil to decrease sharing/cross contamination. Families will be notified if their child is to come in close contact with someone testing positive for COVID19.

1. Please remember that a parent or guardian must accompany their child(ren) to rehearsal, and remain there until the rehearsal is over. If there is an emergency or if we need to break early, we do not want any children to be without a parent in the auditorium. Keep in mind that the middle school is open to other groups during our rehearsal time. We do not want the children to leave the rehearsal area and walk around the school unsupervised. If we find that parents are dropping off children without supervision, we will have to ask that child to leave the production. It is perfectly acceptable to carpool and take turns watching a group of children, so that all parents do not have to attend all rehearsals. Just be sure to ask if any pertinent information was given during that night. You can always check our Facebook rehearsal group for updates.

2.No FOOD or colored DRINK is allowed in the auditorium at any time. We can however have it in the hall.

3.Children are to remain on the lower level of the Auditorium, the Mezzanine is off limits. We don't want anyone falling down all those stairs. Children should remember that since we are sharing this building with others, there is to be no yelling. Let's save everyone's voice for the stage.

4.Children are not allowed to use cell phones during rehearsal time. Phone use backstage will not be allowed.

5.To be fair to the entire cast, we are going to limit the absences to no more than 3. If there is an emergency or you know of certain dates that you will not be available, please let us know ahead of time. We understand that many of you have other commitments, but it is difficult for the other cast members to work on their lines, if there are so many children absent. There are no excused absences after May 1st.

6.There will be a \$20.00 fee for any check returned by your bank. If fees are not paid by tech week, your child will not be allowed to participate in the show. Fees must be paid in cash.

7.We **do not** require tuition for participation in our theatre group productions. However, in order to cover the costs (including costumes, make up, playbill, props, etc.), we ask that each child (or family) raise a minimum of \$200. This can be accomplished by selling ads and tickets. Failure to raise the \$200 will result in a costume assessment fee to cover our costs. Ad and ticket forms can be found by clicking the links on the left side of the page. Ad copy can be emailed to sctads@gmail.com

8.The scripts used in this production are RENTED and must NOT be marked in ink, defaced and/or lost. A fee of \$60.00 per script will be charged should a child lose, deface or mark their scripts in ink. (This does not include Chorus scripts that are issued by SCCT)

9.We are a non-profit, all volunteer run organization. As such we require the assistance of parents to help make the show a success. We ask that all parents assist in creating the set. You do not have to have any particular skills. We need help building, but we also need help painting, gluing, stapling and more...SCCT greatly appreciates any and all help! We build the majority of the set at our scene workshop. A schedule will be announced providing dates and times for set construction.

By signing below, I hereby agree to these terms.
